3 Courses

AI for Medical Diagnosis

AI for Medical Prognosis

AI For Medical Treatment

Mar 1, 2024

Shaghayegh Haghbin

has successfully completed the online, non-credit Specialization

AI for Medicine

In this Specialization, you gained practical experience applying machine learning to concrete problems in medicine. You learned how to diagnose chest x-rays and brain scans, evaluate your models, handle missing data, and estimate the effect of treatments. Now you can help transform the practice of medicine worldwide. You can go on to pursue a career in the medical industry as a data scientist, machine learning engineer, innovation officer, or business analyst!

PS Rajpurkar

Pranav Rajpurkar, PhD
Candidate at Stanford
University
